Kara,

Can you address the minor comment from Rick in the section G? I'm going to ask Keith to fix the other thing this am.

Also Rick had a comment in r2c in the efficacy section. I'm going to load the r2c in sharepoint, we should edit/delete the sentence rick commented on.

Thanks.

Thanks all. A few comments on some of the documents. If I don't include a marked-up of a document, it means that I don't have any comments on that document.
